UTILITIES

We do not have mains gas in our area but the utilities we do receive are often not of the same standard as other areas although we pay an equal price. The committee would be interested to know the extent and nature of poor service delivery, if any, of the following utilities.

Water
Electricity
Telephone
Dial up internet
Broadband
Post
Rubbish collection

REMINDER

It is the property owners' responsibility to maintain hedges on their borders so that they do not interfere with pedestrians, passing vehicles and traffic signs.

The committee wishes all residents
A MERRY CHRISTMAS & A HAPPY NEW YEAR
